Air Cadet WO1 Kelly Hadfield and the Ballroom Blitz Project

Air Cadet WO1 Kelly Hadfield who is graduating from Bear Creek this year is challenging everyone to clean out their closets and donate those beautiful formal evening gowns, bridesmaid and cocktail dresses to the Ballroom Blitz.

Your good memories of yesterday could become a wonderful reality for a teenager today.

A non-profit organization in Barrie, the Ballroom Blitz is aiming to collect new or gently-worn party dresses, gowns and a variety of accessories, and distribute them free of charge to girls in Simcoe County who otherwise would not be able to attend their prom due to costs.

Young women graduating grade 12 will be sent an invitation to attend the Boutique Day on April 28th, where they will be able to select a dress and accessories for their prom graduation ceremony.

There are approximately 3,500 girls in grade 12 throughout the Simcoe County area.

Principals recognize that 80 to 170 of these girls may not attend their high school graduation prom due to financial constraints.

Be a part of the "Ballroom Blitz" and donate your formal dresses, purses, shoes and accessories.

This exciting event for young women gives them the confidence to have the "once in a lifetime" high school graduation prom experience.

Dresses may be dropped off at the Pizza Hut at the Canex plaza on Base Borden, any Cotty or Wrights Cleaners, The Bridal Wreath or the Kozlov Centre (Admin offices downstairs).
